### **JBC AIMING TO BE THE QUICKEST IN THE QUARTER.**

[Northern Trust](#) is pleased to announce that they have agreed a new contract to install high speed broadband into their Jewellery Business Centre (JBC) serviced offices in Birmingham.

The new broadband has provided a speed of up to 500 Mb on the superfast line and 100 Mb on the standard line.

Jewellery Business Centre is a 3 storey building providing a total 31,915 sq ft of modern office space located in the heart of Birmingham's Jewellery Quarter. Built around a beautiful landscaped courtyard, the Business Centre is also home to Northern Trust's in house management company, Whittle Jones Midlands.

Richard Suart, Regional Property Manager at Whittle Jones Midlands commented "Northern Trust has been investing in improving the offices at JBC through a refurbishment program which has also included redecorations. The office suites now provide a modern workspace environment with dedicated reception staff and a brand new on site café. The advancement of the technology within the Centre sets JBC apart from the competition and with offices from just 1 person upwards we can offer a range of sizes to suit individual requirements."

Jewellery Business Centre is situated on Spencer Street, just 1 mile from Birmingham City Centre. There are an array of restaurants and bars in close proximity with the Jewellery Quarter rail and metro station just 2 minutes' walk away. The Centre also benefits from excellent transport links with Junction 6 of the M6 only 2.5 miles away.
